I am a massage therapist myself and am often left disappointed after having one. However, Haroula was amazing. She applied just the right amount of pressure without me having to tell her and really helped to loosen up my shoulder knots. She was professional but at the same time friendly which is the perfect balance. If I wasn't flying home today I would be booking another massage with Haroula!

I had the most amazing Cretan massage from Haroula yesterday. I often have massages for tension back in the UK and I can honestly say this was one of the best I've ever had. She knew exactly where my knots were without being told, and worked them out. Relaxing and effective! Very professional service from both Haroula and Poppy the manager 😊

Most relaxing holidays with the extraordinary luxury

"In my opinion Nana Princess can be easily considered one of the Worlds best hotels. All suits have privat pool and a stunning view to the see. The food in all three restaurants was excellent and the staff did their outmost to fulfil all our desires About the SPA what can I say I've never seen something like that in my life before . Every one who can should defenately try the experience at least ones . One of my best holidays ever. Defenately coming back soon. Congratulations to the staff and magament."

Hi! Me and my wife booked in for treatments at the Golden Coast Hotel in Marathon.

We can't say enough to praise the Wellness team, Vicky, Helen and Georgia were amazing from the FANTASTIC massage skills to thier IMPECCABLE customer service.

We recommend the full service package as it was worth every penny.

Vicky is also very well informed with valuable local knowledge that she is happy to share.

Perfect service with a smile. — with [Mandy McKay](#).

Εγώ κ η γυναίκα μου ήρθαμε στο ξενοδοχείο esperos village στην Ρόδο για ολιγοήμερες διακοπές.Αποφασισαμε να απολαύσουμε ένα περιποιημένο μασάζ. Ήταν πραγματικά το κάτι αλλο. Η εξυπηρέτηση,η ευγένεια,ο επαγγελματισμός και το αποτέλεσμα είναι το στοιχεία για να με κάνουν να το προτείνω σε όλους τους φίλους μου. Επίσης να ευχαριστήσω και την κυρία Maria Vassalai spa therapist για τις υπηρεσίες της και την εξυπηρέτηση.

In unserem Urlaub haben wir uns mal eine Massage gegönnt und waren sehr zufrieden ich war bei Stella Vareli und mein Mann bei Konstantina. Ein riesen Lob an beide nur zu empfehlen preislich etwas teurer als bei uns aber dafür ganz ausgezeichnet

Affordable luxury at it's finest!

"My wife and I arrived at Nana princess and were blown away. Just 20 minutes from the airport, brand new facilities and a beautiful beach. Sparkling clean, great staff and delicious food - everything you need for a luxury stay. 3 outdoor pool areas, beach, indoor pool, and fully equipt gym. The Spa is high-end with good treatment selection and very professional staff. My wife is 6 months pregnant and they provided special treatments and were exceptional at catering to her requests. You can tell they are thinking about the little details when you have chilled towels at the gym and quick option to connect to the room speakers via Bluetooth. Highly recommend booking a stay and taking half board as the dinner is great as well and overall everything is very good value. Small..."

Hi,

I had a lovely body treatment (body scrub and massage) with Afrodite last Wednesday! She is a wonderful therapist. The treatment was so good that I went back two days after for body treatment + facial, and also brought my 9 yo step daughter for a chocolate massage. We both loved it and we will certainly be back next year during summer holidays. Thank you Afrodite!

Immaculate from start to finish

"We always look for 5 star accommodation preferably recent build as we like the sleek lines and state of the art facilities this provides. As well as being all suite with private pool, it has a world class spa, private beach, hi tech gym and more. The Nana Princess is stunning if you also enjoy these attributes. But this hotel is not just about looks. It provides all 'traditional' top quality values too..... fabulous food, immaculate polite service, but above all every member of staff gives everything to ensure you have a holiday to remember. Top quality."
